

# Certification Examinations

## Denver Metro

ALL Asbestos and Lead certification exams will be administered at the Lowry Conference Center located at:

Lowry Conference Center  
1061 Akron Way  
Denver, CO 80230

(Map to specific location will be provided at the time applicant is approved for the exam(s)).

Exam schedule is provided below. All testing is **by appointment only** and will be scheduled by the Certification Coordinator once the certification application has been approved. Drop-in candidates will not be accepted. All candidates must arrive in time to be able to complete an exam before the end of the session. If you cannot complete the exam by the deadline, your incomplete exam will be graded and your score will be official. The Division recommends that applications for renewal be submitted at least 30 days prior to your certification expiration date to avoid any interruption in your employment status. **You must present your printed test letter and U.S. government-issued picture ID to take your certification exam(s).**
